A PLAN TO CUT DOWN THE DIVORCE RATE

A new plan for protecting American homes and children against the rising divorce rate is proposed in the latest issue, just published, of the Illinois Law Review of the Northwestern University Law School.

Writing in the journal, Judge Julius H. Miner of the Circuit Court of Cook county, recommends conciliation, rather than reconciliation, procedures. His plan prescribes a required "cooling off" period in advance of the filing of a divorce complaint. It provides for the filing of a confidential "statement of intention" to institute a suit without any allegations of grounds, and for a subsequent waiting period of 60 days as condition precedent to the filing of a complaint. Exceptions could be permitted in cases of emergency.

Under the Miner plan, impartial services of the court would be made available free of charge during the waiting period to the husband and wife, on a purely voluntary and confidential basis, for the purpose of obtaining an amicable adjustment of difficulties and a permanent conciliation. Such assistance from the court would include medical, psychiatric and psychological services, in addition to the help obtainable from the couple's own spiritual adviser.

The plan requires a greater measure of authority for judges and new judicial machinery which, Judge Miner suggests, could be written into the law by the simple process of a Supreme Court rule, or an act of the legislature. The provision would not restrict, but merely defer, the filing of divorce action to permit the state, actually the third party in every divorce, an opportunity to safeguard its rights in the solidarity of the home.

"The truth is," the judge writes, "that despite the astronomical figures cited by reconcilers, divorce dockets are cluttered with litigations between 'reconciled' couples, and the chancellors divorce them daily by the score. Their enforced second honeymoon is of brief duration, soon to end in another courtroom."

Reburial Rites For Sgt. Foster Are Held Sunday

Services in memory of Sgt. Ralph C. Foster, who was killed in action as his plane was shot down over Germany, were held Sunday at 2:30 p.m. at the Cody and Son Memorial Home, Elder W. A. Chastain of Springfield was the officiating minister.

Music was furnished by a quartet composed of Ben Deoney, William Evans, Harold Ford and Ed Lewis. Organ accompaniment was provided by Mrs. Leticia Hutchison.

During the service a letter was read from Ray Hodson of El Paso, Texas, co-pilot on the ship on which Foster was killed, expressing his sympathy and regret at not being able to attend. Two other buddies of the deceased, Bruce Warden of Dayton, Ohio, and William Heffernan of Ripley, Ohio, were present for the services.

The numerous floral offerings were cared for by Mrs. Faye Clement, Mrs. John Hayes, Mrs. Gerald Cook, Miss Virginia Sample, Miss Mary Carroll and Mrs. Wesley Peterson.

The pallbearers were Robert Sample, Albert Biggs, Reuben Paul, Clyde Smith, Ed McWhorter, Paul Devlin, Glen Mitchell and Gerald Cook.

Military ceremonies conducted at Sulphur Springs cemetery where interment was made. H. Dale Rose acted as commander, with Harry Lumina as chaplain, Marvin Martin as officer of the day and Earl Rabjohns as bugler.

The color guard was comprised of Richard Cruzan and Lyle Morris. Serving as color bearers were Robert Reid, Harold Meyers, Raymond Hart, Wilfred Young, Howard West, and Russell Armstrong. The firing squad was made up of Raymond Massey, Tracy Fisher, Edward Cashin, Richard Doherty, George Vasconcellos, Clifford Charlesworth, Luman Gohren, Carl Alexander, Walter Isaacs, Merle Dewese and Mervin Poole.

Condolences were extended to the family by Russell Alvarez, commander of the V.F.W.; Marvin Martin, commander of the Amvets, and Glen Spencer, commander of American Legion post 279. The flag was presented to the family by Sergeant Karenak, official military escort.

25 Morgan Co. Men Take Military Exams

Twenty-five Jacksonville and Morgan county young men underwent complete physical examinations Monday at the army recruiting main station in Springfield, preparatory to induction into military service.

The group, first to be called from Morgan county for examination under the peace time draft act, boarded a bus at the union bus station

here at 6:45 o'clock Monday morning for the trip to Springfield.

At the main station located at 204 East Adams street they were checked over by physicians in an examination that required several hours.

Results of the examinations are transmitted to the local selective service board with offices in the court house.

Morgan county is expected to receive its first call for inductees sometime in December.

The men who went to Springfield Monday were in the 23 to 25 year age bracket.

Damon W. Watkins Dies At Prentice Sunday Morning

Ashland—Damon Wyte Watkins, 66, of Prentice, died at 10:45 a. m. Sunday at his residence following a year's illness.

He was born in Cass county on Jan. 30, 1882, and was married to Lulu Belle Barry who preceded him in death. The following children survive: Elmer, Charles, George and Eugene, all of Prentice; Francis, Louis and John, all of Jacksonville; Robert with the U. S. Navy; June of Salt Lake City, Utah, and Ann, of Chicago.

One brother, Lee, of Litchfield, and three sisters, Mrs. Rose Masten, of Chapin; Mrs. Lydia Masten, of Newmansville, and Mrs. Lula Davis, of Girard, also survive with 12 grandchildren. Mr. Watkins was a member of the Baptist church.

The body was taken to the Gainer funeral home where funeral rites will be held Tuesday at 2 p. m., with the Rev. Alf Anderson officiating. Burial will be in Yatesville cemetery.

300 Young People Enjoy Masquerade Dance Held At "Y"

Approximately 300 young people from Routt and Jacksonville high schools attended the Halloween dance and masquerade held Saturday evening at the Youth Center.

The event was sponsored by the Junior Chamber of Commerce, which arranged for the appearance of Von Young's Orchestra. Dancing was enjoyed from nine o'clock to midnight.

First prize for the best costume was won by Kathy Perry, who was attired as an angel. Herbie Fowler, the batman, won second.

For the funniest costume, Dick Grunty won first for his blackface ensemble, with Ronnie Burchett placing second as a hobo.

Deena McKinley was awarded the prize for the most novel costume.

The Jaycees are planning other such events for the students of the two schools.

All-New Fireball Engine—Yours without Delay

WINTER'S the time when an old engine really bogs down—when weak sparks fail to fire a charge of gas—when worn rings and compression leaks get in their dirty work.

But we've got the answer, right here waiting for you. We've got a brand-new Buick Fireball engine that will fit right in your prewar car—any Buick built since 1937.

In 12 to 15 hours—at a cost only slightly above a thorough overhaul—we can take the weary engine out of your Buick and put in a brand-new power plant.

These engines are built on the same assembly line as the engines in 1948 Buicks. They bring you all the 1948 engine features. They're all new—new pistons, rings, pins. New clutch and carburetor. New spark plugs, new wiring. Everything listed in the panel shown is yours in this "power package."

Best of all, there's no waiting. Engine output at the factory is running ahead of car production—so your 1948 Fireball engine is waiting for you right now.

Steal a march on winter today. Come in and get all the facts—including our easy-pay terms.

George William Davis Weds Kentucky Girl

Couple Exchange Vows At Church In Louisville

One of the loveliest of early fall weddings was that of Miss Geraldine Marie Hammer, daughter of Mr. and Mrs. Eugene Lee Hammer of Louisville, Ky., and George William Davis, son of Mr. and Mrs. Alfred Lee Davis, 1106 West State street.

MR. AND MRS. GEO. W. DAVIS

Three hundred relatives and friends were assembled in the Twenty-third and Broadway Baptist church in Louisville to witness the impressive double-ring ceremony performed by the Rev. John Boykin before an altar profusely adorned with palms and ferns and baskets of white daisies, arranged in a candle-light setting. The aisles were lined with candles in six-foot holders.

Appropriate organ selections were played before and during the ceremony by Mrs. Holdridge, who also played the wedding marches and served as accompanist for Miss Jeannise McDonald as she sang "Trauener" and "O Promise Me."

Wears Mother's Veil
Given in marriage by her father, the bride wore a gown of white duchess satin, fashioned with sweetheart neckline, outlined with seed

pearls, fitted bodice, sleeves tapering to points over the wrists and full skirt, which terminated in a court train. Her full-length veil of illusion was of two tiers, one of which had been her mother's wedding veil. It was held in place with a pearl-trimmed satin tiara. Her bouquet was of lilies, roses and magnolia leaves, centered with a white orchid.

Bridesmaids Wear Blue
Similar gowns of peacock blue tulle were worn by the bridesmaids, Mrs. Leonard R. Vick and Miss Kitty Roney. Their bouquets and wreaths were of autumn chrysanthemums. The flower girl was Hilda Lee Hammer, niece of the bride. She wore a floor-length gown of white organdy with bonnet and fan of snap dragons, button chrysanthemums and baby breath.

Robert Lee Davis of St. Louis, Mo., served his brother as best man. Ushers were John Edward Baldwin of St. Louis, Eugene Lee Hammer, Jr., Leonard L. Vick, Louis Frankenberg and Thomas B. Leonhart of Louisville. Frankie Joe Feger was ring bearer. The men of the wedding party were in formal attire.

Reception At Home
Following the ceremony, a reception was held at the spacious home of the bride's parents. The bride's table was decorated with a five-tiered wedding cake, decorated with lovebirds and hand-painted china bride and groom.

The bride was graduated from the Kentucky Home Private School for Girls in Louisville in June of this year. Mr. Davis was graduated from Jacksonville High school in 1942.

Right now you should have a new portrait. Your family and friends want it—business often demands it.

Serge Chermayeff To Speak At Fine Arts Conference

Serge Chermayeff, president of the
Institute of Design in Chicago, will
be the guest speaker Friday, Nov. 5,
at a special convocation of MacMur-
ray College students, faculty, and
visitors who are attending the Fine
Arts Conference to be held this
week.

SERGE CHERMAYEFF

On this occasion Mr. Chermayeff
will be awarded the degree of Doctor
of Fine Arts by MacMurray College.
The public is cordially invited to the
convocation, which will be held at
11:00 a. m. in Grace Methodist
church.

To his subject "Art and Liberal
Education" Mr. Chermayeff brings a
rich background. Russian born but
educated in England, he holds a
master's degree from Cambridge
University. He has been a practicing
architect in London and is a mem-
ber of a leading British, American,
and International architectural
societies. He was a painter before he
concentrated on industrial design,
exhibition, stage design, and archi-
tecture.

All this experience added to his
present position as head of one of
the leading schools of industrial de-
sign in America gives Mr. Cher-
mayeff a unique insight into the
place of art in education for the life
of today.

One look!...
One ride!...
You'll know it...
the modern design for '49
new Hudson

Come in, see the car that's years
ahead—drive the New Hudson—
experience the amazing roadability,
comfort and safety of the only car
you step down into!

Here's your chance to get the thrill of
a real discovery—to see and feel what
one of the great advances in motor-car
history offers you.

You'll see a Hudson of distinguished,
streamlined beauty and low-built sil-
houette that is instantly recognizable
because it is the natural result of a basi-
cally new design principle—a principle
that puts this car so far ahead it is a
protected investment in motor-car value!

The key to this new design principle is
a recessed floor. The New Hudson is the
only car you step down into!

By using a "step-down" zone in an exclu-
sive, all-steel Monobuilt Body-and-frame,
Hudson achieves the lowest car on the
highway—only five feet from ground to
top—while maintaining more head room
than in any mass-produced car built today!

But no amount of looking at this amaz-
ing car—beautiful as it is—can equal the
thrill of a Hudson ride! And you are
invited to enjoy that ride today!

Hudson has a smooth, hug-the-road way

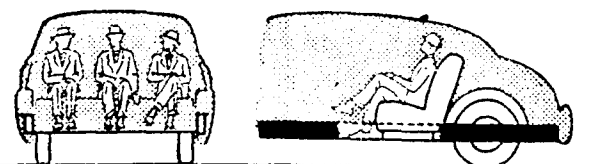

of going in cross-winds and on every con-
ceivable kind of highway. When you see
the way it takes even the sharpest curves,
you'll know once again that this car has
"The modern design for '49"—and for
years to come!

Hudson's remarkable ride is largely due
to the fact that its "step-down" design
provides the lowest center of gravity in
any American stock car—yet road clear-
ance is ample! It is a widely recognized
fact that the lower to the ground a car
can be built, the more stability it will
have and the safer it will be.

You sense a delightful conformity to the
road the minute you begin your ride,
and this stability, plus the protection of
riding encircled by a sturdy box-section
steel frame, is a grand experience in
serene, safe well-being.

This grand feeling is further heightened
by the remarkable ease with which this
car is controlled. You enjoy this
generous roominess in complete
relaxation as the New Hudson glides smoothly along.

We cordially invite you to see
and drive the New Hudson, to
thoroughly enjoy the ride that
comes only with "The modern
design for '49!"

HUDSON FLOORS are recessed down within the frame (as shown
above), seats are lowered, so you get more than ample head
room in this car with the new, lower center of gravity.

YOU RIDE DOWN within a base frame (as shown above),
and rear seats are positioned ahead of the rear wheels so that
full body width becomes available for wonderfully roomy seats.
Box-section steel girders completely encircle and protect the
passenger compartment.

TRY AUTOMATIC GEAR SHIFTING in forward speeds as provided
by Hudson's Drive-Master transmission—by far the easiest of
all ways to drive. You can accelerate as long and as fast as you
like in pick-up gear, then lift your toe momentarily, and you're
in high. The shift into high comes only when you are ready!
Button control on the instrument panel provides instant change
to conventional driving if ever desired. Drive-Master trans-
mission is optional on all New Hudsons at small extra cost.

The only car you step
down into

THE ST. LOUIS POST DISPATCH SAYS:

(Editorial August 16, 1948)

"Up to now Gov. Dwight H. Green has taken no notice of the Post Dis-
patch's disclosures of intimate connections between Illinois officials and
syndicated gambling and other forms of 'protected' violation of state
law."

"These are current payments. They involve the State Government at
Springfield as it exists at this moment. They involve the administration
of Dwight H. Green. They concern the chief prosecutor for the people of
Illinois, Attorney General George F. Barrett. Why is Governor Green si-
lent through all these disclosures? Is it because he is the chief beneficiary
of syndicated gambling? Is it because the main gambling counties gave
him the margin by which he was re-elected in 1940?"

THE QUINCY HERALD-WHIG SAYS:

(Editorial October 3, 1948)

"Governor Dwight Green has served two terms and is seeking a third.
NO ILLINOIS GOVERNOR EVER HAS SERVED 12 YEARS. During the
present administration, state expenses have doubled despite increased
federal aid. The number of state payrollers has soared and many perform
almost no service to the state.

"The state administration's promises have been better than its perform-
ances. The huge bureaucracy rivals that in Washington with a poorer re-
cord of accomplishment. Costs are higher than in other states, and slip-
shod administration has developed in selection of personnel and execu-
tion of state programs. THE LARGEST STATE POLITICAL MACHINE IN
ILLINOIS HISTORY HAS BEEN BUILT AT PUBLIC EXPENSE. The alter-
native is the election of Adlai Stevenson and a general housecleaning."

THE CHICAGO DAILY NEWS SAYS:

(Editorial October 17, 1948)

"The Daily News recommends the election of Adlai Stevenson as Gover-
nor of Illinois. The Green administration is full of idle payrollers who make
no pretense of working for their money. It nourishes a swarm of grafters,
chiselers and racketeers who grow bolder every year. They threaten the
moral health of the State—to say nothing of the State Treasury."

20 Rural Schools Expected To Be Offered For Sale

Twenty rural school houses located
in the Arenzville-Concord-Chapin-
Merodosa community unit will be
sold during the next three or four
months, according to announcement
by members of the board of educa-
tion.

The procedure for sale of the
buildings and handling of the school
funds was discussed at a meeting
of the board at the First National bank
building in Arenzville.
All buildings will be appraised soon
by Barton Boyle of Macomb; F. J.
Kuhl and Everett Hale of Beards-
town.

The board will call for a vote of
the people on whether to sell the
rural school houses now closed. If
the majority favors selling the build-
ings, the board of education will re-
quest the township trustees to hold
a public sale and action.

In a number of instances the land
on which the schools were built can-
not be sold because of a clause in the
deed providing that the land be used
exclusively for school purposes.
Otherwise it is to revert to the orig-
inal owners of those now holding the
deed. In cases of this kind the build-
ing must be removed when pur-
chased.

TAKE TIME TO BE SAFE

The loss of an arm or leg is a high price to pay for saving ten sec-
onds. When operating power machinery, take time to be careful.

Your life will be safer if you . . .

Observe these simple rules:

- 1 Shut off P.T.O. before attempting to unclog corn picker, baler, etc.
- 2 Keep all shields in place when operating machine.
- 3 Don't trust defective hitches, brakes, clutches, seats.
- 4 Never mount or dismount from a moving tractor. Don't ride on drawbar.
- 5 Don't wear loose, floppy clothing around power machinery.
- 6 Think first. After the accident it is too late.

This year a disabling injury probably will strike some farm person
every 19 seconds. Don't let carelessness put your name on that list.

**JACKSONVILLE
JOURNAL & COURIER
SUBSCRIBERS
DELIVERED BY CARRIER**

Beginning Saturday, November 6th, the Jack-

ing collections from subscribers. At that time your carrier
will begin making his regular weekly collection, unless your
subscription is paid in advance. You will owe him for one
week on November 6 and thereafter he will collect at the
rate of 20c per week Saturday morning.

The Journal-Courier, in adopting his plan does not wish to
inconvenience a single subscriber, but we have had so many
requests from our subscribers who feel that it would be much
easier for them to pay at the rate of 20c per week that we
respectfully ask your indulgence and cooperation when
your carrier calls.

Other newspapers all over the United States are already
using this plan, and have found from experience that it is
the most satisfactory to the majority of their readers.

Baugh Sets New Passing Record In Redskins' 59-21 Rout Of Yanks

BY RALPH RODEN
New York, Nov. 1.—(P)—Berlin has its air bit but the National Football League still has the air arm—Sammy Baugh.

Baugh, the air general of the Washington Redskins, has added another passing record to his collection that includes four lifetime marks.

The veteran quarterback gained 446 yards through the air yesterday as he pitched the Redskins to a 59-21 victory over the Boston Yanks.

Baugh completed 17 of 24 attempts and hurled four touchdown passes in surpassing the former mark of 433 yards, in a single game set by Sid Luckman of the Chicago Bears on Nov. 14, 1943, against the New York Giants.

By winning, the Washington team stayed a half game behind the eastern division pace-setting Philadelphia Eagles. The Eagles, led by Tommy Thompson who completed 16 out of 22 passes, crushed the Pittsburgh Steelers, 34-7.

Bears, Cardinals Win
Meanwhile, the Chicago Bears and the defending champion Chicago Cardinals remained tied for the western division lead. The Bears breezed to a 35-14 victory over the Giants and the Cards turned back the Rams, 27-22, in Los Angeles. In the other National League game, the Detroit Lions upset the Green Bay Packers, 24-20. It was the Lions' first victory in six starts.

The two powers of the All-America Conference, the San Francisco 49ers and the defending champion Cleveland Browns, were idle. The 49ers have won nine straight games without a setback and lead the Browns in the western half race by a half game. The Browns are unbeaten in eight outings.

Three games were played in the

CHICAGO LIVESTOCK MARKET REPORT

Chicago, Nov. 1.—(P)—Hogs shipped 75 cents to \$1.00 today, but clearance of supplies at the stockyards was considered good. Cattle were steady to 50 cents higher and sheep generally steady.

Most good and choice hammers and gilts weighing 160 to 280 pounds sold for \$24.00 to \$24.50 and a top of \$24.75. Other weights were absent. Sows took \$21.50 to \$23.75.

A load of high-choice steers topped the market at \$40.00 while straight choice took \$38.50 to \$39.00 and good and choice \$30.50 to \$37.25.

A load of choice heifers topped that division at \$36.00 and most good and choice merited \$27.50 to \$34.25. Good young cows brought up to \$22.00 and sausage bulls to \$23.50, while weaners were steady to \$22.00 and under. Stock cattle were considered strong and fully 25 cents up.

Good and choice native lambs sold for \$24.50 and \$25.00, the top, while good and choice yearlings were \$21.50 to \$22.25, and medium to choice western and native ewes \$8.50 to \$9.75.

Total receipts included 16,000 hogs, 9,700 cattle, 600 calves, and 5,000 sheep.

New York Stock Market

New York, Nov. 1.—(P)—Steel shares headed a general advance in the stock market today.

The advance was not a decisive move but rather a series of jerky gains.

Turnover increased considerably as quotations were marred up, with volume for the full day at the rate of more than 1,000,000 shares.

Some traders threw off recent pre-election caution but for the most part operations were not aggressive. In many cases key issues were highly sensitive to only small demand.

The rise in the steel group possibly indicated that the effect of U. S. Steel Corp.'s decision not to vote a special dividend was wearing off.

Steel also attracted wide attention in London stock trading.

Big Steel's dividend decision had an unsettling effect on the market generally last week.

GRAINS STEADY; LATE RALLY IN WHEAT CANCELS LOSSES

Chicago, Nov. 1.—(P)—Corn overcame the weight of heavy cash arrivals to move upward on the Board of Trade today. A good demand developed for the outpouring of cash grain and prices ruled steady in the spot market. That encouraged buying of futures.

Soybeans, oats, rye and lard also tended upward most of the day. Only in soybeans did the gains amount to much. Commission house buying sent beans up a couple of cents. Wheat was inclined to lack, being depressed by receipt of good moisture in the winter wheat belt.

Receipts were: Wheat 39 cars, corn 1,100, oats 27 and soybeans 187.

Wheat closed \$2.27-1/2, corn was 1-1/2 higher, December \$1.37-1/2, oats were 3-1/2 higher, December 78-78-1/2, soybeans were 3 to 3 1/2 higher, November \$2.52-1/2, and lard was unchanged to 25 cents a hundred pounds higher, November \$18.85 to \$18.90.

East St. Louis Livestock

National Stockyards, Ill., Nov. 1.—(P)—(USDA)—Hogs, 12,500; market mostly 25 to 50 lower than Friday's average, spots 75 lower on weights under 170 lbs; good and choice 180-270 lbs 24.75-25.00; top 25.00; heavier weights scarce; 150-170 lbs 24.75; few 130-150 lbs 22.50-24.50; not enough lighter weights to quote; good sows 400 lbs down 21.75-23.75; over 400 lbs 20.00-21.50; stages 16.50-20.00.

Cattle, 6,000; calves, 1,000; market opening steady; few good steers at 30.00-32.00; majority of supply medium to low in flesh; other classes active and strong; cows and bulls 50 higher than Friday; weaners steady; common and medium heifers and mixed yearlings 19.00-25.00; few medium and good 25.00-30.00; common and medium beef cows largely 17.00-20.00; old head just good 21-00; canners and cutters 12.50-17.00; medium and good bulls 21.00-22.50; cutter and common 17.00-20.00; good and choice weaners 27.00-34.50; relatively few choice in supply; common and medium 17.00-27.00.

Sheep, 3,000; opening bids and few sales native woolled lambs steady at 24.50-75; not enough done however to fully establish market.

Saukees At White Hall In Top Ivy Contest

White Hall—The powerful Glen Smith coached Saukees of Pittsfield community high school will play the inspired White Hall Maroons Friday at 8 p.m. under the lights at White Hall high field.

Both clubs have strong offenses and this should be of the best games between these two clubs in recent years. Coach Smith has four consecutive victories over White Hall in football and Coach Walker's boys will be out to avenge the defeat inflicted the Maroons last season at Pittsfield.

Greenfield Homecoming
Greenfield will entertain Jerseyville in the Tigers' homecoming game Friday night. Both teams will be fighting for a high position in Ivy standings. Jerseyville defeated the Greenfield team the last two seasons and are slight favorites this year. But the T-formations of Coach Lukettich's Tigers will cause plenty of trouble for the Jersey county seat eleven.

Winchester goes to Carrollton for a game Thursday night. These two teams are evenly matched this season. Carrollton has two Ivy victories and Winchester has defeated Pleasant Hill for the only game won this season. Pleasant Hill has lost all games played in the last two seasons and should lose to Roodhouse Friday afternoon when they mix with the Railroaders at the Roodhouse high field. Coach Mason Campbell's teams have won nine years over the Pleasant Hill teams, including the co-champs from Pike County in 1941.

Barnd Highly Regarded
White Hall has a star back, Ken Barnd, the lad that scored 24 points in the first half of the Pleasant Hill game last week. He scored twice that did not count due to penalties. Barnd is definitely all-state material. He made all-state honorable mention last season and was selected by the Ivy coaches for a halfback berth on the first team.

Ralph Bailey, Jerseyville's top scorer and Ivy leader, crossed the goal line three times in helping his teammates down the Roodhouse team for the first time in history of their meetings.

Captain Bob Kattelman of Pittsfield's Ivy leaders scored 8 points against Carrollton last week and he is in third place in scoring.

Cochran and Owens led the Greenfield team to a 19-0 win over Winchester at the Scott county seat last week. The Greenfield team has several returning lettermen next season and should be a strong Ivy contender.

Valley Statistics
Ivy standings:

Team	W.	L.	Pts.	O.P.
Pittsfield	5	0	131	
Jerseyville	4	1	137	39
White Hall	3	1	97	56
Greenfield	3	1	92	60

Illi Work Hard Preparing For Invasion By Iowa

Champaign, Ill., Nov. 1.—(P)—Coach Ray Elliot of Illinois today intensified the Illini's running attack and began mapping a pass defense for Iowa's Al Dimauro.

A great aerial duel between the Hawkeyes' quarterback and Bernie Krueger is in prospect when the two teams square off Saturday before a Dads' Day crowd.

Illinois came through the Michigan game in fair shape. Passing catching Slip Kersulis, No. 1 end, suffered a twisted knee but it has responded to treatments.

Krueger completed 12 out of 21 passes against the Wolverines for 218 yards.

Wolves Well On Way To Big Nine Grid Crown

Chicago, Nov. 1.—(P)—Only a robust upset now can spoil unbeaten Michigan's surge toward its second straight Big Nine football title and runner-up Northwestern's well-jelled Rose Bowl bid.

Michigan has a 4-0 conference record. Northwestern follows with 3-1.

Both have two conference foes remaining to face. Michigan, after next Saturday's non-loop joust with Navy at Ann Arbor, winds up league business against Indiana and Ohio State.

Northwestern's brace of league opponents are Wisconsin—which plays host to the Wildcats Saturday—and arch-rival Illinois which catches Northwestern in a finale after the "Cats take on Notre Dame at South Bend, Nov. 13.

Neither Indiana nor Ohio State appears capable of untracking title-bound Michigan.

However, the scrappy Illini and Minnesota which made Michigan hustle for a 27-14 decision two weeks ago, demonstrated that the Wolverines can be scored upon. The trick is to do it often enough.

Next Saturday's three-game conference card is highlighted by the Wildcat-Badger battle, although Purdue's invasion of Minnesota also has some Rose Bowl bearing.

Polo Running Ace Leads State Prep Gridiron Scorers

Springfield, Ill., Nov. 1.—(P)—Ronnie Messer, 185-pound fullback for Polo's untamed Maroons, today nursed a 17-point lead over his nearest rival for individual scoring honors in the downstate prep football race.

Messer hoisted his season total to 125 points by collecting three touchdowns and five conversions for 35 points. Messer paced Polo to a 47-12 weekend conquest of Mt. Carroll.

One More Game
The hardy line cracker has one more chance to swell his bag on Friday when Polo meets Mononagan of Rockton in a bid to wind up its eight game chart without a loss or tie.

Farmington's Paul Hewitt and Monmouth's Willard Rollins, two other fullbacks each with a pair of games remaining, stand fair chances of overtaking Messer.

Hewitt's two touchdowns in Farmington's 26-0 win over Cuba boosted his mark to 106 points. Rollins, the top pointmaker week ago with 107, played only a few minutes against Pontiac because of a sprained ankle and failed to improve his total.

With only one tilt to go, Halfback Wally Steffen of Roxana appeared out of the running despite a 105-point tally fattened by 38 and 65 yard touchdown gallops in his team's 19-12 decision against Mt. Olive.

Other Standout Performances
Other notes on weekend play:
Quarterback Corky Waters of Tuscola racked up 31 markers on one conversion and five touchdown trips, including jaunts of 45, 48 and 70 yards. At one point in their lopsided 59-13 triumph over Arthur, four Tuscola linemen shifted into the backfield, and one of them, "Fullback" Loren Hanners, counted a touchdown over the right tackle slot he had just yielded to a substitute.

Four payoff sorties and six successful extra point attempts gave Halfback Glen Temples 30 points as Oakland humbled Villa Grove 42-12. A 90-yard kickoff return accounted for one of the touchdowns.

Halfback Bud Bublitt registered 27 of Rantoul's counters in Le Roy's 53-0 defeat.

7th Weekend Rout
From the team standpoint, the most spectacular offensive achievement was pulled off by Champaign in a 72-0 rout of Urbana. The rollers rolled up 51 yards by rushing and 153 yards more through the air. Fullback Tony Koehnemann, head man in the Champaign wrecking crew, reeled off 183 yards in 12 running tries good for four touchdowns.

George Houska, Springfield's placekicking specialist, split the up-tilts on all five conversion attempts in the first half, but missed one later on, as the Senators walked Lincoln 41-0.

Cubs Don't Want Cooper Or Mize, Grimm Says

Chicago, Nov. 1.—(P)—Trade winds were blowing on the Chicago baseball front today, but it was hard to tell which way and how strong.

Both the Cubs, who reportedly are dangling first baseman Eddie Waitkus and catcher Clyde McCullough as batter-bait, and the White Sox, whose most salable player presumably is infielder Don Kolloway, held executive huddles aimed at bolstering their last-place finishers.

Owner Horace Stoneham and Manager Leo Durocher of the New York Giants dropped in at Wrigley Field yesterday to see the football Giants get trimmed by the Chicago Bears, 35-14, and also to chat baseball business with the Cubs.

If they offered catcher Walker Cooper and first sacker Johnny Mize for an opening bid, they got a cold shoulder from Manager Charley Grimm of the Cubs, who told reporters:

"I'm definitely not interested in Cooper or Mize. And I don't believe the Cubs will trade anybody else."

At Comiskey Park, new Sox general manager Frank Lane and Charles Comiskey, 22, secretary and vice-president, did the same thing.

"Our trading material is limited," said Comiskey, "but there always is the chance we can help ourselves by giving two or three in return for one."

Notre Dame Edges Wolverines For 'Best In Nation'

New York, Nov. 1.—(P)—Notre Dame was elected No. 1 football team in the nation today in the weekly Associated Press poll of sports writers, barely nosing out Michigan by a margin of three points.

Although the Irish drew only 56 of the 208 first place ballots to go for Michigan, they moved into first place with the help of second and third place votes.

The points, figures on the basis of 10 for first, nine for second and so on down to one for tenth, gave Notre Dame 1762 to 1759 for Michigan. Last week the Wolverines were first by a comfortable 275-point margin.

North Carolina Third
North Carolina's powerful Tar Heels, who were first on 36 ballots, polled 1,458 points to easily retain third place. Army, rapidly gaining support, advanced a peg to fourth place, displacing California which finished fifth.

Georgia Tech and Pennsylvania, clinging to last week's positions, respectively sixth and seventh, but Southern Methodist hopped from 11th to eighth in the outstanding gain of the week. The Mustangs were followed by Missouri and North Carolina in that order with Nevada, last week's 10th place team, sliding to 11th position.

There were few changes in the top 20. Baylor unbeaten but once tied, dropped out and Wake Forest moved in.

Illini Dump Michigan Prestige
Notre Dame's smashing 41-7 romp over non-winning Navy appeared to impress the writers much more than Michigan's 28-20 close call with Illinois. North Carolina lost only a little of its first place strength on its 14-7 edge over Tennessee and Army drew new backers by rolling over Virginia Tech, 49-7.

Nevada and Clemson were the only two members of the nine-team unbeaten, untied contingent that were not ranked in the top 10. Clemson, first on six ballots, was 12th.

Saturday's schedule does not include any of the first 10 clubs but it includes an important clash of seventh-place Penn and 14th-place Penn State at Philadelphia. This may well be the game of the day.

Notre Dame vs. Indiana
Notre Dame meets Indiana while Michigan gets a chance to see what it can do against Navy. North Carolina faces William and Mary, which recently was upset by St. Bonaventure and Army makes it only Yankee Stadium appearance of the year against Stanford.

The standings of the teams, points figured on a 10-9-8-7-6-5-4-3-2-1 basis (first place votes in parentheses):

Team	Points
1. Notre Dame (56)	1,762
2. Michigan (68)	1,759
3. North Carolina (36)	1,458
4. Army (6)	1,249
5. California (16)	1,132
6. Georgia Tech (7)	1,109
7. Pennsylvania	975
8. Southern Methodist (1)	432
9. Missouri (4)	382
10. Northwestern	362
11. Nevada (5)	300
12. Clemson	281
13. Georgia (15)	241
14. Penn State (1)	236
15. Oklahoma (2)	211
16. Oregon (5)	177
17. Michigan State	153
18. Wake Forest (4)	149
19. Minnesota	146
20. Tulane (3)	141

Others receiving votes included Illinois 5, and Iowa 4.

Rifle Bullet Removed From Man's Spine Sent To FBI Laboratories

A .22 calibre rifle slug taken from the spine of a 20-year-old Jacksonville man was enroute Monday night to F.B.I. laboratories in Washington for ballistics studies. In the meantime the injured man, Julio Jachino of 1240 Allen avenue, was reported "resting well" at Passavant hospital.

Says High Prices Of Food Not Due To Support Plan

Chicago—Farm price supports are not the cause of food prices, F. M. Atchley, director of research for the Illinois Agricultural Association said today.

"Contrary to the opinion held by many of the nation's food buyers, Atchley said, "price supports on most major farm products are far below current market prices."

"To reach the support level, U.S. Department of Agriculture figures show that the price of hogs would have to drop 42 per cent; butterfat, 22 per cent; milk, 27 per cent, and chickens, 19 per cent," Atchley pointed out.

Few Commodities Supported
"The only products which have had some support," Atchley explained, are potatoes, eggs, wheat, and cotton. Corn has received partial support since harvest began this fall.

"High food prices are the direct result of unparalleled demand," Atchley said. "Spensible income today is 138 per cent above its 1939 level, but production of goods has risen only 76 per cent."

"Farmers," he said, "have little control over high food prices. They take what the market offers. When demand is strong, prices are big higher."

"City food buyers also should keep in mind that farmers get only a part of the consumer's dollar. The rest goes to the processors, retailers, and others," he said.

Farm Share Lower
"The farmer's share of this dollar is down now to about 51 cents, the lowest in five years. The remaining 49 cents pays the cost of processing, merchandising, and delivering food from the farm to the consumer's table."

Price supports to farmers are a necessary insurance for everyone, Atchley concluded. They are guarding the farmer, and all others, against disastrous price breaks such as occurred after the last war.

They are helping to maintain production now to meet domestic and foreign needs, just as they helped to increase food production during the war.

Training School For Income Tax Assistants Here

A two-day training school for west central men who will assist in the preparation of 1948 income tax returns will be held at Farm Bureau hall on Nov. 8-9. Specialists from the department of internal revenue and the department of agricultural economics, University of Illinois, will be the instructors.

The course will be especially for those who help farmers fill out their returns. The school will be one of four to be held in Illinois.

R. C. Ross of Urbana will be the instructor from the university.

Those planning to attend are requested to inform the farm adviser in their county. Representatives from more than 20 counties of this area are expected to attend the school.

Girl Scout Troop Conducts Meeting At I.S.D. Sunday

Senior Girl Scouts of Troop 1 began their observance of Girl Scout Week Sunday afternoon with a "Big and Little Sister party" for a group of ten-year-old prospective Scouts at the Illinois School for the Deaf.

The meeting was called to order by Paula Miles, Chicago, who welcomed the guests and called on the color guard, composed of Patsy Sue, Gladys Shaffer, Joan Pate and Myrtle Warren. After the pledge of allegiance by a new member, Lillian Howard of Auburn led the Girl Scout Promise and the candle-lighting ceremony was presented by Sherilyn Myers, Joan Pate, Marilyn Kirby, Myrtle Warren, Helen Winkler, Nellie Oenland, Phyllis Duncan and Marlene Lynch.

Gladys Shaffer told a story and the meeting was concluded with games, a Virginia Reel and refreshments. Committee chairmen in charge were: program, Gladys Shaffer; games, Ruby West Mount Vernon; refreshments, Catherine McKinsey, Naples.

Guests of the Scouts were Bonnie Link, Doris Highsmith, Marjorie Phipps, Anna Liebert, Marilyn Cook, Joyce Durham, Vicky Sargent, Jo Ann Bogess, Beverly McCammon, Patsy Carpenter, Phyllis Martin, Shirley Arnold, Phyllis Mansfield, Karen Hansen and Elaine Lantz.

Metropolitan Tenor Pleases Here Monday

By Joachim Stenzel
Brian Sullivan, tenor of the Metropolitan Opera Company, gave members of the Jacksonville Civic Music Association a very special treat when he appeared here on Monday night in the first concert of this season's series. The young artist presented a beautifully balanced program that appealed to a wide variety of tastes, and everybody was most favorably impressed by the cultured voice and power of expression that was shown throughout the performance.

Mr. Sullivan announced his own numbers, since the printed programs had been mislaid. We are therefore appending a complete list of the selections at the end of this review.

First Group

The first group of the program included two arias from classical oratorio, by Handel and Mendelssohn. These were followed by a group of Italian songs, of which the audience especially enjoyed Donaudy's exquisite "Vaghiissima Sembra".

The first half of the program was concluded by two selections from opera. In the second of these, Giordano's brief but most impressive aria, "Amor ti vieta" ("Love forbids you"), the artist showed that he has truly mastered all of the skill and flashiness of traditional Italian bel canto—and the enthusiastic applause brought him back for an encore of the same style, Leoncavallo's "Mattinata."

Second Half

The second half of the program consisted of German lieder and a group of English songs. Between these groups Mr. Sullivan yielded

Sophomores—President, Ralph Longmeyer; vice president, Barbara Clark; secretary-treasurer, Harold Kennedy. Advisors, Miss Hadden and E. Ray Fosse.

Freshmen—President, Albert Longmeyer; vice president, Donald Wahl; secretary-treasurer, Phyllis Batty. Advisors, Mrs. Bennett and Mr. Beckerle.

The classes elected representatives to serve on the student council—Seniors, Norma Dixon; Juniors, Barbara Wright and Phillip Gibson; Sophomores, Mary Meyer and Gale Cole; freshmen, Ruth Kennedy and James Chapman.

Manchester Girl Injured When Hit By Truck Monday

Seven-year-old Ruth Ann Hudson of Manchester was brought to Passavant hospital shortly after 8 a. m. Monday, suffering from injuries she sustained when struck by a truck while en route to school.

It is believed that she walked into the truck, not being able to see it because of the thick fog. She was not run over by the truck. X-rays were taken at the hospital and the child was admitted as a patient. The full extent of her injuries is not known. Dr. Ellsworth Black is the attending physician.

The child is the daughter of Mr. and Mrs. Wayne Hudson of Manchester.

Della E. Lockwood Rites Held Monday

Largely-attended funeral services were held for Mrs. Della Lockwood, owner and director of the Lockwood School of Beauty Culture, Monday at 2:30 p. m. at the Reynolds chapel.

Miss Jeanette Powell was the reader of the Christian Science service. Organ selections were played by Mrs. Ralph Hutchison. The body will remain at the Reynolds Mortuary until 8 a. m. Tuesday when the funeral cortege will leave for McLeansboro, where burial will be in Antioch cemetery.

Polling Places Put In Readiness For Visit By Voters Today

With the counter-claims of candidates ringing in their ears, thousands of voters in Morgan county and central Illinois marked time Monday, waiting for the time when they will go into action in another presidential election.

Forty-three polling places in Jacksonville and the county were put into readiness Monday for the large number of voters who will visit them Tuesday. Voting booths, chairs, and tables were moved in for use of voters, judges and clerks.

At the county clerk's office big piles of neatly stacked ballots, counted and ready for distribution to election officials, were rapidly diminishing as judges and clerks called for supplies. When these are returned to the clerk's office Tuesday night in sealed bags they will bear marks that will mean victory for some candidates and defeat for others.

Hours 6 a. m. to 5 p. m.
Polling places will open at 6 a. m. and close at 5 p. m. Judges and clerks will then spend several busy hours tabulating the returns, which they will report to the clerk's office.

The great majority of Morgan county's 21,083 registered voters are expected to visit the polls to vote for president, a United States senator, governor, several state officials and district and county candidates. The county committees of both Republican and Democrat parties have urged all citizens to exercise their rights and vote. This activity is expected to bear fruit in the form of a large vote.

Few Local Contests
Local contests are scarce. Voters will keep an eye on the Twentieth district contest between Congressman Sid Simpson of Carrollton, Republican, and Henry D. Sullivan of Quincy, Democrat. They also are much interested in the contest between Albert W. Hall, Republican, and M. Brooks Byus, Democrat, for state's attorney of Morgan county.

With exception of these races, there is little on the local front to be decided, as three Republican candidates for county offices are unopposed.

Voters of this community, however, will derive satisfaction from registering support for their favorite national and state candidates.

October Marked By Clear Days, Dry Weather

October was characterized by many clear days and a marked deficiency in rainfall, according to the monthly weather summary issued Monday by the Norbury Sanatorium. The season's first killing frost came on Oct. 13, but there were five days when the thermometer skidded below the freezing mark.

Twenty-two of the 31 days were rated as "clear." Two were partly cloudy and seven were cloudy.

Rainfall was less than half the normal. The month's total was 1.37 inches, or 1.43 inches less than the average. The hardest rain came on Oct. 7, with precipitation of .68 inches.

The mean maximum temperature for the month was 66.6 degrees. Minimum temperatures averaged 41.2 to make the readings for the month 2.2 degrees below normal.

The first day of the month brought the highest temperature, 81; the lowest was 22 on Oct. 18. High winds were experienced on the 6th, 7th and 15th. There was fog of varying intensity on six days. Wind directions for the month followed: N. 1; NW. 5; W. 2; SW. 5; S. 4; SE. 10; NE. 4.
